## **Commemorate, Celebrate Martin Luther King, Jr.**

**Monday, January 15, 2018**

Come March with The Friends School of Atlanta! FSA has celebrated MLK Day each year since our opening in 1991. We encourage students, parents and teachers to participate in the March down Peachtree Street, and join the Middle School Student Leaders in celebrating the life and vision of Dr. Martin Luther King, Jr.

We will assemble at the corner of Peachtree and Baker Streets (Xernona Clayton Way) at

1:30pm on Monday, January 15. The March is scheduled to begin at 1:45pm. Look for the FSA Banners and Flags. Wear FSA gear if you have it and school colors (purple and gold). If you would like to make a sign to carry, that would be great. We will have an FSA banner and yard signs to carry as we march together to celebrate Dr. King's life.

The words of the late Coretta Scott King remind us of the ideals that Dr. King embodied and FSA embraces: "On this holiday, we commemorate the universal, unconditional love, forgiveness and nonviolence that empowered his revolutionary spirit."

## Annual Appeal: Consider Giving in 2017

The pending tax reform legislation will reportedly reduce the number of people who itemize on the tax returns, and therefore there will be few taxpayers taking deductions for charitable gifts. If you are concerned about this, you might want to make your gift to this year's Annual Appeal before December 31. Even if you're not concerned, we encourage you to make your gift or pledge as soon as you can. Funds raised through the Annual Appeal provide crucial operating support for teachers and administrators to make the FSA experience exemplary for student and family alike! You can give online [here](#) or write a check payable to FSA, noting Annual Appeal in the memo line. For more information, contact Nancy Bent, Director of Advancement and Admissions, at [nancy.bent@friendsschoolatlanta.org](mailto:nancy.bent@friendsschoolatlanta.org); 404-373-8746 x8135. Thank you!

## Tell All Your Friends: The Next Open House Is Saturday, January 13!

Our next admissions Open House will be Saturday, January 13, from 10am to noon. Thanks to all the families who have signed up to attend. If any other families are so moved, come on by and help represent our wonderful school to prospective families. It is always a fun atmosphere and there will be snacks! And if you can't make it on January 13, there will be two more opportunities on Saturday, February 3, and Saturday, April 14. Please let all your friends with school-aged children know about our Open Houses and tours. When you receive the next admission eflyer with dates, etc., please pass that along, too! For more information, contact Nancy Bent, Director of Advancement and Admissions: [nancy.bent@friendsschoolatlanta.org](mailto:nancy.bent@friendsschoolatlanta.org); 404-373-8746 x8135. Thanks!

## Needed: Lice Busters!

Every year at the beginning of school and after long holidays, our intrepid parent Lice Busters examine the head of every student for lice.

We need Lice Buster parents to help one or two hours a year. We will provide on-the-job training. Parents with experience also needed! This final examination will begin when students return from the Winter Holiday break (on Tues, Jan 9 and Wed, Jan 10). Parents meet at 8:15am in the clinic for Lice Buster orientation (second floor room #208, near the front stairs).

Sign up [here](#).

## Teacher/Staff Appreciation Holiday Fund

**Share some love! Wed., Dec. 13 through Wed., Dec. 20**

Our fabulous teachers and staff have done a remarkable job this year and deserve much gratitude. As a token of appreciation, volunteers will be collecting at morning and afternoon carpool beginning Wednesday, December 13. We would appreciate volunteers to help with the carpool collection. If you would like to do this, please sign up [here](#).

You will be able to donate by cash, check or credit card in carpool. There will also be a collection box for the holiday gift fund at Anna Knipfer's desk in the reception area. Checks can be made payable to FSPATA; write "Teacher Appreciation" on the memo line. Again this year, we have an option to give online by clicking [here](#).

The funds are evenly distributed among all teachers and staff. Please give generously so that everyone receives a sizeable gift. **The deadline for giving is Wednesday, December 20.**

## FSA Shatters Apogee Record!

HUGE thanks to all who participated in the state tax credit scholarship program through Apogee on behalf of The Friends School of Atlanta. We set a goal of raising \$120,000 in 2018 tax credit dollars, which go directly to increase financial aid available at FSA. We raised \$163,000!!! The deadline to apply for a 2018 tax credit was December 15. We will keep you posted about when the 2019 tax credit application process opens this summer. Direct your questions to Nancy Bent, Director of Advancement and Admissions, at [nancy.bent@friendsschoolatlanta.org](mailto:nancy.bent@friendsschoolatlanta.org); 404-373-8746 x8135. Thanks!

## Lost and Found

Parents please take a few minutes this week to check and see if your child(ren) has items on our Lost and Found rack located in the Gym (by the girls restroom). The rack is currently OVERFLOWING with clothes, books, lunch bags, water bottles, etc. **Unclaimed items will be donated to charity after December 22.** Thank you.

## FSA Call For Makers

The second annual Friends School Maker Faire will be February 22, 2018. It will be a celebration of creativity, innovation and invention. Projects will be accepted from FSA students in the areas of science, technology, the arts and engineering. Maker Faires have been described as "the greatest show and tell on Earth." Students will share their projects with their classes during the school day and with families at our evening open house from 4–6pm. For more information about Maker Faires and to submit a project proposal, please see the links below. **Project proposals must be submitted by January 25.**

## Two College Students Joining FSA for Winter Field Work Terms

Please join me in welcoming two college students who will be serving as assistants at FSA during their winter breaks. **Marcella Lee Gallo**, a senior at Vassar College, NY, with an interest in teaching and international education, will be assisting through January. Marcella has interned as a tutor with students in Denmark and New York. **Alice Mae Jennings**, a freshman at Bennington College, VT, with interests in progressive education and learning more about "how kids learn" will be serving her Winter Field Term at FSA through Mid-February. Alice brings a unique perspective on education having graduated from the School within a School Program in Brookline, MA.

Alice is transgender and hopes to bring her experience creating welcoming spaces to benefit our students and school community. Please feel free to contact me if you have any questions about our plans for introducing students to these interns. Thank you.

Both interns will be supporting teachers and students as we launch our No Place for Hate program in 2018. Learn more about the program at the [Anti Defamation league website](#).

**Come and meet our interns at a welcome coffee in the lunchroom on Wednesday, January 10 at 8–8:30am.**
